

INTER-OFFICE CORRESPONDENCE

REPUBLIC CREOSOTING COMPANY

TO: Dr.I.H.Derby, Reilly Lab.

INDIANAPOLIS

FROM: P.C.Reilly

June 22, 1933

SUBJECT: VILLAGE OF ST. LOUIS PARK - WATER SUPPLY

US EPA RECORDS CENTER REGION 5

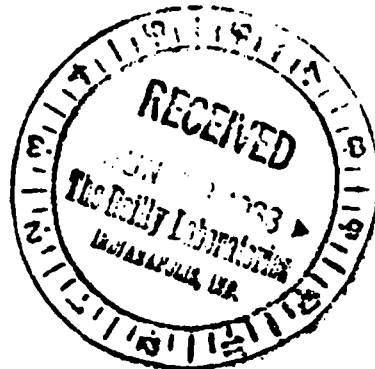

514933

Please note attached letter from Mr.Rademacher of date June 20th in which he advises he is sending a sample of the water that is now being pumped from the Village well and in an attempt to draw the water away from the Village well we are pumping our two wells and are spraying as much of the water as possible on our lawn. You will observe also that we may hear further from Mr.Rademacher, about this matter and I am leaving word here if a letter comes in from Mr.Rademacher while I am gone and if addressed to me to forward it to you.

Yours very truly;

R.S
